

Welcome to the Michelin Social Club of Bridgewater serving our members for over 38 years

New Members Wanted

to fill vacancies on Social Club Board

If you are a club member, we would like you to consider joining our board to help oversee the club activities.

We have between 8 & 10 meetings per year and the board members help out at a few activities.

You can bring ideas to the board for discussion and help us make positive changes to the club. We would like your input so why not consider getting a little more involved.

If you feel you would like to join us simply call the club at 902-543-5018 and ask for club manager, Don Dodman we look forward to hearing from you!
